**Legislative Change No.****04-06**Bill Number: AB 2207Author: LevineChapter Number: 04-181Laws Affecting Franchise Tax Board: Government Code Section 11093Date Filed with the Secretary of the State: July 20, 2004

**SUBJECT:** State Agencies Make Separate Breakdown Of San Fernando Valley In Preparation And Maintenance Of Any Statistical Analysis

**Assembly Bill 2207 (Levine), as enacted on July 20, 2004, made the following changes to California law:**

Section 11093 of the Government Code is amended.

This act requires state agencies to make a separate breakdown of the San Fernando Valley when preparing or maintaining any statistical analyses by city. The Franchise Tax Board (FTB) currently maintains data for statistical analyses and reports at a county level. Since FTB currently does not develop or maintain statistical data on a city level, FTB would have no statistical data to make a separate breakdown for the San Fernando Valley.

This act is effective January 1, 2005.

This act will not require any reports by the department to the Legislature.
